SPOTLIGHT
STEPHANIE BODKIN**

What is your biggest goal for yourself this year?
To keep up with my property's delinquency and occupancy for this year to win an award!

Any tricks to make yourself more productive?
I remind myself that your greatness is measured in your accomplishments; accomplish all you can in the time given.

What would we most likely find you doing on the weekends?
Anything my little girl wants to do! Weekends are for family and fun!
